THE SKIRR

The Skirr announces debut EP 'Bolt from the Blue' out 25th September 2015

Having taken an extended break after a change in line up, **The Skirr** are back and ready to showcase their latest offering. The unsigned band from **Stoke on Trent**, are to release their debut EP titled '**Bolt from the Blue**' on **Friday 25th September 2015**. Featuring their singles '**Steal the Sun**' and '**Little Sister**', the EP is the first release from **The Skirr** for over a year.

Mostly produced by **Richard Wood** and recorded at **The Old Smithy (Robert Plant, Black Sabbath, Judas Priest)**, '**Bolt from the Blue**', features a light hearted and upbeat mix of catchy choruses and earworm riffs. Stand out tracks include title track '**Bolt from the Blue**' featuring drum tracks programmed and produced by **Richard Wood** and '**Little Sister**' which was produced by **Ryan Pinson** and recorded at **Newhampton Arts Centre, Wolverhampton** which recently hosted a one-off gig by **Blur**

The full track list is as follows:

1. Bolt from the Blue
2. Steal the Sun
3. Sunday After Dinner
4. Call me in the Morning
5. Little Sister

'**Bolt from the Blue**' will be available digitally on iTunes, Spotify, Amazon and all the usual places from **Friday 25th September 2015**
